Hello CAG members,

At February's CAG meeting, you requested a copy of the presentation that Matt McClincy gave on source control work at Arkema. We had hoped to email the presentation to you, but the file contains graphs and images that are far too large to transmit via email. I am mailing a CD of the presentation to Robin so that it's available if you're interested, but if you would like your own copy, please let me know and I'll send you a CD or hardcopy.

Thanks very much,

Mikell
